PHI includes information like:

- Your health insurance or benefits, including how much coverage you have
- All records about your treatment
- Whether you're staying on your medicine or treatment
- Anything that affects your health

If you agree, your PHI may be shared by your doctors and other healthcare providers, your healthcare plan or health insurance company, clearinghouses or other agents, your pharmacy, and others who might have your PHI.

Your PHI is used in ways such as these:

Other things you should know about sharing and using your PHI:

Your PHI will be released to MacroGenics and its affiliates, agents, representatives, and service providers
- You don't have to give permission to share your PHI with MacroGenics to receive treatment from your healthcare providers, your prescription from your pharmacy, or benefits from your healthcare plan, but MARGENZA Patient Support may not be able to help you without it
- After your PHI has been shared, it may no longer be covered by federal and state privacy laws (such as HIPAA), and it may be shared again
- Your signed permission to share and use your PHI lasts for three years from the date of your signature unless you are a resident of Maryland, Maine, or Montana, in which case the permission will last for one year from the date of your signature. In either case, you may revoke your permission before then by writing to MARGENZA Patient Support, PO Box 3795, Chesterfield, MO 63006, which will preclude reliance on the authorization after the date your written revocation is received, **although it will not affect disclosures made before your revocation is received. Eligibility:

You have been prescribed MARGENZA. Offer excludes full cash-paying patients. This offer may not be redeemed for cash. You are not participating in any state or federal healthcare program, including, without limitation, Medicaid, Medicare, Medicare Part D, Medigap, Veteran's Affairs (VA), CHAMPUS, Department of Defense (DoD), TRICARE®, or any state patient, or pharmaceutical assistance program, or wherever prohibited by law. Patients who move from commercial insurance to a state or federal healthcare program will no longer be eligible.** Patients who start utilizing their government coverage during their enrollment period will no longer be eligible for the program. Uninsured and cash-paying patients are NOT eligible for this program. Cash Discount Cards and other non-insurance plans are not valid as primary insurance under this offer. If the patient is eligible for drug benefits under any such program, the patient cannot use this offer. This program cannot be combined with any coupon, certificate, voucher, or similar offer.

You are 18 years of age or older and are receiving MARGENZA for an FDA-approved use. Please ask your doctor for information about FDA-approved uses. Also see your doctor for the full US Prescribing Information for MARGENZA. You are a resident of the United States or Puerto Rico.

I understand that if I begin to have coverage under any government program or if my state prohibits the redemption of manufacturer copay assistance (coupons) at any time, I will no longer be eligible to receive benefits under the Copay Assistance Program. If I am enrolled in a qualified health plan (QHP) purchased through a health insurance exchange established by a state government or the federal government, I understand that if the federal government or my state government prohibits the redemption of manufacturer copay assistance (coupons) by enrollees in QHPs at any time, I will no longer be eligible to receive benefits under the Copay Assistance Program. I certify that my insurance company has not prohibited the redemption of manufacturer copay assistance (coupons) for the program product, and I understand that if at any time my insurance company prohibits the redemption of manufacturer copay assistance (coupons) for the program product, I will no longer be eligible to receive benefits under the Copay Assistance Program. I understand that I am responsible for reporting receipt of Copay Assistance Program benefits to any insurer, health plan, or other third party who pays for or reimburses any part of the medication cost paid for by the Copay Assistance Program, as may be required. I agree not to seek reimbursement for all or any part of the benefit I receive through the Copay Assistance Program. I understand that my provider will submit a claim to my private insurance company for the program product administered to me.

MARGENZA PATIENT SUPPORT PROGRAM AND COPAY ASSISTANCE PROGRAM TERMS AND CONDITIONS (cont'd)

Program Payments:

The MARGENZA Copay Program will pay for the entirety of the commercial patient's remaining cost share, including coinsurance and copays for MARGENZA medicine up to a maximum of \$26,000 during a 12-month period. To receive payments under the program, the patient or healthcare provider must submit a completed claim (CMS 1500 or UB04) and an Explanation of Payment (EOP) form. The submitted form must include the name of the insurer and plan, and show that MARGENZA was the medication that was administered to the patient. For patients enrolled into the MARGENZA Copay Program, the form requesting payment must be submitted within 180 days of the infusion service/administration date to receive program benefits. Program payments are limited to the copay or coinsurance costs for MARGENZA medicine only—the program doesn't cover costs associated with healthcare provider administration, other medications, treatments or therapies, bloodwork, transportation or any other costs associated with a patient's hospital stay or treatment. The MARGENZA Patient Support Program, including the Copay Assistance Program, is not health insurance or a benefit plan.

Program Timing and Limitations:

Enrollment in the program lasts for one year from the date of approval. Patients are eligible for savings for up to 12 months of therapy, provided they continue to meet program terms and conditions. Absent a change in Massachusetts law, effective January 1, 2021, the MARGENZA Copay Program will no longer be valid for residents of Massachusetts. If you live in California, the MARGENZA Copay Assistance Program expires on the earlier of: (i) the expiration date of program copay card; or (ii) the date an FDA-approved therapeutically equivalent becomes available and is covered under the Patient's health insurance plan on a lower cost-sharing tier, or when an over-the-counter product with the same active ingredients becomes available.

MacroGenics reserves the right to modify or discontinue the program at any time without notice and to verify the accuracy of information submitted. Void where taxed, restricted or prohibited by law. This offer is not transferable and is limited to one offer per person. Not valid if reproduced.
